

What's Trending?

In this face-to-face series, we explore trending topics and issues in social media as a platform for generative discussions about equity. This series will be useful for educators who are developing their critical knowledge, language and analytic skillsets.

We will focus our discussions on the broad questions of:

How does this topic or issue influence equity?

How do trending topics and issues shape the inside and outside of school realities for students and families?

When?
Wednesdays 5-7 PM:
10.30.19
11.13.19
12.18.19
1.15.19
2.19.19
3.11.19

Where?

201 Mullica Hill Rd
Glassboro, NJ
James Hall – RM 3109
