Academic Program Guide for
Access, Success & Equity for Educational Innovation
Department of Educational Services and Leadership
MaryBeth Walpole, walpole@rowan.edu, 856-256-4706

Program at a Glance

- Program Code: CUGS-ASEEDIN
- Major Code: U108
- Campus: H, OL
- Cohort: EXTEN
- This program consists of 5 courses; 15 undergraduate semester hours (SH).
- The program is part-time.
- These courses are offered face-to-face or online.
- Course descriptions are available at www.rowan.edu/catalogs.
- Costs are detailed at www.rowanu.com/tuition.

Program Features

- The Certificate of Undergraduate Study (CUGS) in Access, Success and Equity for Educational Innovation has been developed within the Educational Services and Leadership department with the goal of developing graduates who can work in a variety of organizations and agencies related broadly to the educational purpose, including foundations, governmental and community agencies, charter and private schools, and non-profit as well as for profit organizations, among others.
- Students will learn about the history of education, the teaching and learning process as well as the structure and function of organizations and their administration.
- The curriculum will include a specific focus on the issues of access, success, and equity in education and the ways in which education and the educational process can be harnessed for social change and improvement.

For more information regarding the certification process, please visit the College of Education Advising Center:
http://www.rowan.edu/colleges/education/Advising Center/certification/index.html.

Minimum Grade and Cumulative GPA Requirements

- Open to all undergraduate students from any program at Rowan University.
- All students must be matriculated into a major at Rowan University.
- Students will complete all required program courses with a minimum 1.70 (C-) in all coursework.

For full details regarding satisfactory academic progress and graduation requirements, please visit www.rowanu.com/policies.

Program Evaluation

- All courses include signature assignments on which performance data will be collected each semester.
- The results will be uploaded to the College assessment system.
- Programmatic changes to enhance learning outcomes will be made annually or more frequently as needed.
