

# MEN OF COLOR HOPE ACHIEVERS (MOCHA)

Are you a male of color?

Do you have an interest in teaching?

Are you looking for full-time employment as a teacher?

If you answered yes, learn more about MOCHA.

The **MOCHA** program focuses on recruiting, preparing, supporting and retaining men of color to earn certification through an alternate route program and teach in New Jersey schools. Selected school districts will hire men to simultaneously teach and be enrolled in Rowan University's **ASPIRE to Teach-Certificate of Eligibility (CE) Educator Preparation Program**.
