

Minor in Access, Success, and Equity in Education

Academic Program Guide for
Minor in Access, Success, and Equity in Education
Department of Educational Services and Leadership
MaryBeth Walpole, walpole@rowan.edu, 856-256-4706

Program at a Glance

- Program Code:
- Major Code:
- Campus: Glassboro
- Cohort:
- This program consists of 6 courses; 18 undergraduate semester hours (SH).
- The program is part-time.
- These courses are offered face-to-face or online.
- Course descriptions are available at www.rowan.edu/catalogs.
- Costs are detailed at www.rowanu.com/tuition.

Program Features

- The Minor in Access, Success, and Equity in Education was designed to provide students with the knowledge, skills, and dispositions that foster excellence in practice within education organizations and other related institutions with respect to building equitable educational experiences and outcomes.
- Students will learn about the history of education, the teaching and learning process, the structure and function of organizations and their administration, leadership approaches for managing diversity in organizations, as well as access, success, and equity issues and potential strategies for ameliorating them.
- The curriculum will include a specific focus on the issues of access, success, and equity in education and the ways in which education, leadership, and the educational process can be harnessed for social change and improvement.

For more information regarding the certification process, please visit the College of Education Advising Center:
<http://www.rowan.edu/colleges/education/Advising.Center/certification/index.html>.

Minimum Grade and Cumulative GPA Requirements

- Open to all undergraduate students from any program at Rowan University.
- Students may be matriculated in any major at Rowan University.
- Students will complete all required program courses with a minimum 1.70 (C-) in all coursework.

For full details regarding satisfactory academic progress and graduation requirements, please visit www.rowanu.com/policies.

Program Evaluation

- All courses include assignments on which performance data will be collected each semester.
- Programmatic changes to enhance learning outcomes will be made annually or more frequently as needed.
